### Terms & Conditions:

- Rebates are available on a first-come, first-served basis. Funding is limited and subject to change or be cancelled without notice.
- Limited to one rebate per appliance type per membership.
- Appliances must be installed within Claverack's service territory. Claverack reserves the right to inspect the member's home to verify installation of items listed on this rebate form.
- Members are responsible for proper disposal of pre-owned appliances.

Claverack strives to provide safe, reliable power to our members at the lowest possible price. We also want to help you control your energy costs. Based on the graphic below, here are some suggestions:

- Consider installing a heat pump for heating and cooling (a separate rebate is available)
- Try setting your water heater at the lowest set point
- Install energy-saving LED light bulbs
